

To the amazing crowd and Staff at Club 1220,

I wanted to take a moment to thank each of you that came out in support of my Charity Drag Show on June 21st. I will never forget walking through that curtain and seeing all of your smiling faces or the deafening cheers from all over the bar.

We raised \$2200 dollars that night, \$400 more than the year before... so much more than I could have hoped for! My goal was to raise \$3000... and thanks to generous donation from Jon Crovo and the 1220 staff, we are \$250 closer! And to keep the money rolling in, Tom Lewenz and his beautiful husband Keith Green are working on a DVD of the show that we will be selling to help raise more money for this amazing cause.

But it wouldn't have been the same without the dedication and talent of our cast. I would like to give a special thank you to our 1220 stars... Miss Kitty Litter, Jealousy and Vivien Lee St Michael. Each of you ladies have dazzled the crowds at 1220 for years and it wouldn't have been right to do this show without you guys. And our special guests Lady Tia, Vicodonia, Bobbi Pinn and Saki Samora. I'm so thankful to be able to call each of you my friends... and you rocked the show! Your beauty, creativity and use of glitter was amazing!

Of course we can't forget the real star of our show, Miss Holotta Tymes who graciously allows me to take over the show once every year. She is the reason I wanted to do Drag in the first place and has always been a great friend to me. There is no comparison to her talent and I can only dream of someday reaching her level of success.

And to each of you... Your support of me and the AIDS Walk was more than I could have ever dreamed of. Those of you who know me, know that I have been active in the fight against HIV/AIDS for many years... and the AIDS Walk is very important to me. This is the first year that I will be walking as a person living with HIV and it's going to be tough. But with the support of my Family, friends and all of you I feel much stronger and I can do anything I put my mind to.

All of the money raised at the AIDS Walk goes to support HIV Research for treatment and prevention, it pays for medicine for those unable to afford it, helps provide outreach opportunities all over San Francisco and the Bay Area... and it helps remind each of us that HIV is still out there. Although we have made so much progress when it comes to treatment and prevention, people are still getting infected every day... every hour... all over the world. We cannot stop fighting. And if you thought I was passionate before, imagine what I'm capable of now.

It isn't too late to get involved. If you are interested in walking, please visit www.aidswalk.net/sanfran to become a walker... or if you would like to make a donation to help me reach my goal of \$5000 please visit www.aidswalksanfran2009.kintera.org/jimmygale. Only with your help can we continue this fight.

Thank you so much for everything...
Love & Lipstick,
Stephanie Nicole le Dream aka Jimmy Gale
